

Washington

Ametek - DFR's, Revenue Meters, Annunciators, and Transducers.

Andax - Oil leak, spill control, and secondary containment for pole and pad mount transformers, valves, pipe flanges, and bushings, including during transportation.

ARP Advanced Rubber Products - Silicone Polymer Insulators up to 69kV and Cutout Switches.

BMK / Polecrete - Eco Foam Products for Pole Stabilization & Repair, Backfill, Pad Leveling.

Brametal - Planning, designing, engineering, and manufacturing lattice & metal structures.

Buzz Solutions - Security, Safety, and Equipment Condition AI Software

Charles Industries - Telecom, cabinets, enclosures, walk-in cabinets, pedestals, housings, fiber optic solutions, and antennas.

CHM Utility - Design, engineering and manufacturing steel monopoles.

Clampstar - Mechanical shunt for splices, connectors, and dead ends

Coastal Power Systems - Testing, preventative maintenance, switchgear, equipment, and protection relay retrofit service.

EMC - Guy Markers, Composite UG Racking & Pole Line Hardware.

GridCraft - Design and fabrication of customized utility products.

IFD Corporation - Distribution Transformer Visible Fault Detector.

INDT - Early Fault Detection systems to pinpoint faults in high-volt power systems.

inoLECT - Remote Racking Solutions, Capacitors, and Harmonic Filter Banks.

Lamifil - ACCC Hi Temp Low-Sag Conductor

Micatu - Advanced Optical Solutions Measuring Volt, Current, and Temp.

NewBasis - Fiberglass and Below Grade Polymer Concrete Secondary Enclosures.

Powell - Distribution Switches - Padmount, Subsurface/Vault, Source Transfer & Vacuum Fault Interrupter.

Rauckman - Animal and Avian Protection, Lineman Tools.

Sicame - Electrical hardware products and accessories, OH/UG fittings and cable accessories, and safety equipment.

Virginia Transformer - Transformers - Power, GSU, Auto, Grounding, Padmount, BESS

TRANSMISSION

Ametek	Charles Industries	GridCraft	Lamifil
Brametal	CHM Utility	INDT	Micatu
